

The French Broad Hustler

HENDERSONVILLE, N. C.

PERSONAL AND OTHERWISE.

M. L. Edney, of Bat Cave, was in town Tuesday.

Miss Sue Cannon has been visiting Mrs. Morris for a few days. Mills River and the upper country had a fine rain Saturday and Sunday.

R. V. A. O. Allison, of Penrose, is holding a series of meetings at Mt. Gilead church.

Miss Florrie Morris, who has been teaching at Monroe, N. C., is home for the summer.

S. F. Wheeler, accompanied by H. H. Gilliard, manager of the Columbia Hotel, Columbia, S. C., are in town.

John F. Seawell, of the Purity Laundry, has returned from a business trip to Atlanta.

The band will play Friday, when the noon train arrives with the members of the Florida Press Association.

Prof. Boone states that the price paid for the property recently purchased by him was \$2,100 instead of \$1,700.

The many friends of J. J. Osborne, of Mills River, will be pleased to hear that his condition is somewhat improved.

Ira A. J. Smith and family will occupy the Caldwell cottage on E. Aspen st., during the summer.

The many friends of Judge Pace's wife will be pleased to hear she is much better, after a rather severe illness.

There is some talk amongst the legal fraternity of this city about a special term of court. They say it is almost a necessity.

James M. Justice, son of the well known surveyor, is home for a visit from Louisville, where he has been attending the seminary.

J. Caldwell Robertson is in town. Miss Marjorie and Miss Elizabeth Robertson, who are attending Elizabeth College, Raleigh, will arrive shortly.

Miss Helena Morris, who has been attending the Conservatory of Music at Durham, N. C., is home for the summer. Miss Morris will probably return in the fall.

Mills River farmers are busily engaged setting out cabbage plants since the recent rain. There is a scarcity of plants and the prospects are for a short crop.

Mrs. H. C. Perkins is seriously ill at her beautiful residence on South Main street, which Mr. Perkins recently purchased. Mr. and Mrs. Perkins have the sympathy of a large circle of friends.

The Hotel Wheeler, newly painted and decorated, and with the extensive alterations finished, will open for business June 1st, with every prospect of a patronage which will test the capacity of this popular hotel.

The condition of Mrs. W. J. Davis, wife of County Commissioner Davis, is reported slightly improved. Mrs. Davis has been suffering from nervous prostration for the past four or five weeks.

The mortgage recently given by the Southern Railway to cover their big issue of bonds, to the Standard Trust Co., of New York, is now being transcribed into one of the big books at the registrar's office, by Miss Juno Morris. It will cover more than 200 pages of one of the big record books.

The Methodist church will hold its picnic on Tuesday, June 12th, at Riverside Park, Asheville, if the new schedule of the Southern Railway goes into effect by that time, so as to permit going in the morning and returning in the evening. One fare for round trip will probably be the rate.

There will be an entertainment at Rymer's school house, on Shaw's Creek road, Friday, June 8th. The program will be served, there will be short speeches, bright dialogues, etc. Entertainment will begin at six o'clock. Admission for children 10 cents, for adults 15 cents. As the entertainment is for the benefit of the school, a large attendance is expected and a good time is assured to all.

The Board of Trade meeting, on Thursday night, at eight o'clock, will be an important one. Plans for the proper entertainment of the Florida Press Association, who will arrive on Friday, will be discussed. Another important matter to be taken up will be the proper celebration of the Fourth of July, as it is expected to make this year's celebration surpass all previous ones. A full attendance of members is urgently desired.

"The candidate who offers to pay a man for his time to attend a pre-emptory primary is unworthy to represent any class, or condition of men in any capacity," said a prominent democrat to THE HUSTLER last Saturday. "And it appears to me," he continued, "that the democrats of Henderson county have experienced enough of that sort of thing to last them a life-time. Good, we ought to attend the primaries and take a hand in shaping the result and I mean to be on hand this year for the first time in several. 'Bill Crawford' is certain of one vote at my precinct and I know of many others that he will get, besides."

The chain gang has started work on Main street. It will look different when they get through.

Miss Maude Osborne, of Brevard is here to visit her sister, Mrs. M. L. Shipman.—Raleigh News & Observer.

Dr. Grinnan, who has been attending the Presbyterian Assembly in Greenville, as a delegate, has returned home.

O. R. Sorrells, J. B. Whitaker and N. B. Baldwin, three popular rural route carriers of Fletcher, were in town Wednesday, on one of their rare vacation days.

Rev. Dr. Cannon, a distinguished divine of St. Louis, preached last Sunday to the Presbyterian congregation in their temporary meeting place in the court house.

Cleveland Hawkins, son of W. H. Hawkins, our well known and popular jeweler, and Miss Clema Goodlake were married about two weeks ago, and their friends have just found it out, and are receiving the congratulations of their many friends and acquaintances.

Chas. W. Hunt, the new local manager of the telephone company, is getting ready to install the telephones in the Hotel Gates. There will be over 100 of them, with a switchboard and operator in the lobby.

W. D. Christy, for some time past connected with this paper, has resigned his position and will leave the last of the week for Waynesville, where he will accept a position with the Waynesville Courier. Mr. Christy has the best wishes of The Hustler and of his many friends, who know he will be successful in his new field of labor.

Dr. Waldrop has returned from Charleston, where he attended the annual convention of the Southern Railway surgeons. He reports the meeting as being productive of much good, professionally, and says that socially, they had a most enjoyable time.

J. W. Thomas, who has been local manager here of the Asheville Telephone Co., has been promoted to the position of wire chief in Asheville. Mr. Chas. W. Hunt, will succeed Mr. Thomas as local manager, who has made a host of friends in this city by his ability and courteous manner of doing business, and whose best wishes will follow him to his new field of labor.

Probably one of the youngest firms ever operating business in Hendersonville will open about June 1st next door to M. M. Shepherd's. The name of the firm will be known as the McCallum Crowder Co. They will handle fruits, candies and vegetables. They will appreciate customers and promise satisfaction.

J. W. Grimes, who has made this city his home during the past six months, has returned to his home in Portsmouth, Ohio. Mr. Grimes has suffered two attacks of appendicitis, and will go immediately to Cincinnati for an operation. Mr. Grimes has been in First book store part of his time, while here, and said, just before his departure that Hendersonville was the only town in the world for him.

Florida Press Association Here.

The members of the Florida Press Association, to the number of 40 or 50, will be in Hendersonville on Friday, June 1, for a short time. They will arrive here at 12:50, in special Pullman's, and will be met at the station by a reception committee of some 20 of our citizens. They will be escorted to the Blue Ridge Inn for dinner. That hospitable hostelry will "do itself proud" on this occasion, and the members of the association, with the reception committee, will sit down to a banquet of good things for the inner man. After a ten-minute speech by that able after dinner talker, W. A. Smith, in which he will recall the time when Hendersonville threw wide her gates to the fever-stricken people of Florida, the members of the association will be taken for a drive around the city, returning in time for the Tuxedo train.

The newspaper men are on an outing, bound for Lake Toxaway, and it is proposed to show them just how hospitable Hendersonville can be when she tries.

The Hendersonville Band will meet the visitors at the train and, with the committee escort them to the hotel, where they will all dine together. District Passenger Agent Wood has been sent a special invitation to attend as a guest of the city.

The liverymen have all responded most liberally, furnishing all the needed carriages absolutely free of charge.

There will be special menu cards, of pretty design, and souvenir booklets for the visitors.

It is intended to show the newspaper men that they have come to a live city, and everything will be done for their entertainment while here. Captain Wofford, as usual, is most energetic in making the arrangements, and the success of the whole thing lies largely with him.

The Press Association have been wired as to the arrangements being made, and no doubt there will be a crowd at the depot to welcome them.

Just as we go to press, we learn there is a possibility that the Press Association will not stop here. There will be a special train waiting at the depot to take them immediately to Lake Toxaway, although there is still a possibility that they may remain here a few hours only.

Woman's Association.

The Woman's Association for the Betterment of Public School Houses, requests the teachers of Henderson county to send in reports of improvement made at their schools during the present session, number of improvements and what they cost.

The reports should show the following items: Library books, book cases, pictures, desks, square feet of black-board, maps and globes, curtains and shades, stoves.

EXTERIOR IMPROVEMENT.

Window blinds hung, wells dug, stumps removed, rubbish removed, walks laid out, trees planted, shrubs planted, flowers planted.

If funds have been raised by entertainments or contribution, state the fact, also any other item of interest.

Please send the reports not later than June 10th, 1906, to Miss Jeanette Miller, Hendersonville, N. C.

Educational Rallies

An educational rally will be held at Hooper's Creek, Sunday, June 10, at 11 a. m. The speakers for this occasion will be D. S. Pace, G. B. Jones, J. L. Orr, T. H. Posey.

At Mt. Moriah, also, will be held a rally on June 17th, in the afternoon. There will be an all-day service, Children's Day being observed in the morning. The speakers will be J. L. Orr, J. Williams, T. H. Posey and G. B. Jones.

The public is urgently invited to attend both these meetings. The speeches will be interesting and instructive, and a pleasant time is assured all who attend.

The Freight Rate Matter.

A mass of data bearing on the freight rate discrimination against Hendersonville is now being prepared and put into shape for use in the crusade against that evil. The preliminary steps have been taken, but much detail work as to figures, etc., remains to be done before any definite results will show. Mr. McD. Ray has the matter in charge, and will devote his time to it until the Southern Railway does something more than promise. It is the universal opinion that Hendersonville will be heavily handicapped in her growth to a larger estate until we have fair freight rates. Asheville real estate men talk of real estate values doubling in that city within the next 5 years, the business men of Hendersonville are determined to get their share of the prosperity so confidently expected by Asheville. Hendersonville is an ideal distributing point, it is generally conceded, and it is the sentiment of all our citizens that we cannot afford to allow ANYTHING to stand in the way of Hendersonville's development.

A Schoolhouse Built in this State
Every Day in the Year.

The School Journal, of New York, has an excellent article on North Carolina's public schools. It is illustrated with pictures of the governor's mansion, the state capitol, the building for the blind, the Baptist University for women, etc. The article states that the last five years have been a period of unprecedented progress in education. From 1900 to 1905, 1,459 new public school-houses were built. In 1905 alone, 440 new houses were erected with an average value of \$425. During the five years ending June 30, 1905, the total value of public school property increased from \$1,153,311 to \$3,203,141. During this period more than one school house a day for every day in the year has been built in North Carolina, the value of public school property more than doubled, and the expenditures for building and opening school houses increased nearly five fold. 1,259 rural libraries have been established, costing \$40,875 and containing 113,208 volumes. In addition to this 107 libraries have been established by private subscription.
